

Degree in mathematics... and then?

Friday, February 6, 2026 | 15:00–18:00 | H12 and H13

Alumni of mathematics talk about their work and their career paths.

All bachelor's and master's students, doctoral candidates, and others interested in the Departments of Mathematics and Data Science are warmly invited!

15:00 in H13:

Dr. Heike Frei (Head of Department Spaceflight Technology, DLR)

Dr. Hubertus Kurt Grillmeier (Strategy Division Manager, Primetals Technologies)

Dr. Stefan Schaubeck (Senior Operations Engineer, DRACoon GmbH)

16:00 in the foyer:

Coffee break and networking

16:30 in H12:

Dr. Rodolphe Prignitz (AUDI AG)

Prof. Dr. Franziska Vogel-Brinkmann (Professorin, TH Nürnberg / former Development Engineer, Siemens Digital Industries Software)

Dr. Martin Weismann (Senior Engineering Manager, Autodesk Inc.)

Dr. Stephan Weller (Development Engineer, Siemens Digital Industries Software)

Organizers:

Kilian Hacker (FAU Erlangen-Nürnberg)

Eleni Hübner-Rosenau (Universität Regensburg)

Cornelia Schneider (FAU Erlangen-Nürnberg)
